NPSI Academic Calendar Fall 2014 - Spring 2015

The NPSI academic calendar is standardized and follows this format year after year. Classes begin on the first Friday after Labor Day and there will be three quarters that are each 12 weeks long. There are no breaks between quarters, but there are 5 vacation weeks during the academic year:

1) Friday after Thanksgiving
2) Two Fridays in December during the weeks of Christmas and New Years
3) Good Friday (April)
4) Friday before Memorial Day (May)

During years when NPSI sponsors the International Evolving British Object Relations Conference, there will be 11 classes in that quarter and the Friday of EBOR substitutes for one day of classes. All candidates are expected to register for and attend the full EBOR Conference (October 17-19, 2014). NPSI will cover the cost for candidates to attend the Friday Pre-Conference Master Class/Clinical Seminars (1-3 pm) taught by visiting faculty and plenary presenters Giuseppe Civitarese, MD (Italy) and Clara Nemas, MD (Argentina).

Fall classes will begin September 5 and end November 21 for the term. There will be 11 classes this term. These dates include September 5, 12, 19, 26, and October 3, 10 (EBOR is October 17-19), 24, 31, and November 7, 14, and 21.
